Mr. Robert M. Gates
Deputy Director

Washington, D.C. 20505

Dear Bob:

On behalf of the Steering Committee, I am inviting you to attend the next DNA New Alternatives Workshop. It will meet:

Tuesday and Wednesday 20 and 21 October 1987

0900 - 1700

Conference Center, HQ, INSCOM, Bldg. 1
Arlington Hall Station, Virginia

Since our last meeting, the four Working Groups of the Commission on Integrated Long-Term Strategy have had an opportunity to compare and refine their preliminary research results in an extended summer study. I am asking Fred Iklé and Jim Martin to join me in bringing you up to date on the progress so far. I have also asked each of the Working Group Chairmen to present preliminary reports on their findings and recommendations for discussion at the meeting.

The clearance level of this workshop will be Top Secret. There will probably be several sessions at the SI/TK/G level. It is important that you give a copy of this letter, along with the enclosed Security Instruction Sheet, to your security office for processing no later than 25 September.

Sincerely,

Albert Wohlstetter
Director of Research
